# OPEN space for you

## ... to enjoy

Stressed from studying? Constantly under pressure, just you and your work?

We offer an OPEN space – right next to the campus. No matter who you are, how good your grades are, where you come from or what you believe: Here you are very welcome!

## What we offer:

- in our reading corner, you can read daily newspapers, study for your exams or use the free WiFi
- In our Albertus Magnus Chapel you can enjoy the silence, meditate, light a candle ...
- Our Spiritual Director, Barbara Göb, has an open ear for your worries and problems. Strictly confidential, of course!

## ... to experience

For you, there's more to student life than just studying? You also want to meet nice people, celebrate, discuss ...?

Our semester program includes a variety of common activities ranging from cooking and eating to prayers and worship, and even workshops, talks and discussions.

International encounters characterize life at the KHG. At cultural events, international worship services or in the Café International, you get to meet people from all continents.

In our weekly groups you can explore your creativity: For example, by singing in our choirs "Gospelchor Bayreuth" and "Swahili Chor" or by acting in our theater group "Die Schwarzen Schafe".

## ... to shape

You have ideas that you would like to realize, and are looking for like-minded people? Or you would like to volunteer for a semester or more? The KHG program is mainly organized by the students themselves. We are an open community and always welcome "a breath of fresh air", new ideas and new people!

You are welcome to coordinate one of our community evenings anytime. Or you can form a group, or initiate an art or music project ...

... or you can just join us for our volunteer group meeting sometime (no need to make a commitment) ...

... either way – we look forward to seeing you!
